Letter no: L.S.G. 553-27 d 30.11.27 from the Dy Commr, Hassan District.

With refee to G.O. no: 6052-125 Rel 158-26-1 d 1.3.27, stating that for reasons mentioned, the said order appears to conflict with G.O. no: 3-62 C.R.B d 9.10.27 and requesting that definite orders of Govt may be obtained in regard to the procedure to be observed in filling up vacancies in Municipalities.

The following points are submitted for consideration in passing orders in the refee to the Govt desired in the Dy Commr's letter:—

(1) Rule 1 of the Rules issued with G.O d 1.3.27 lays down that officers and Servants in Govt Service shall ordinarily be employed by the Taluk Junior Municipal Councils for all appointments. If emphasis is laid on the word "ordinarily" used in the rule, it is perhaps implied that exceptions to the rule are also contemplated whenever necessary. It is therefore open to the Municipal Councils to apply for permission to depart / make a departure from the rule

in respect of the appointments to which it is incontemplated to apply the rule.

(2) If the above view is accepted, the appointing authority concerned may apply for permission to fill up the appointments of class I by direct recruitment in accordance with the rules of recruitment, the men already in Govt employ being also made to apply for such appointments when the vacancies are advertised in the Gazette.

(3) It is also for consideration whether in view of the reasons urged by the Ry Comns in para 2 of his letter the G.O dy 1.3.27 may be made applicable to appointments of classes higher than class I. ie posts carrying a pay above Rs 25 only.

(4) If as the Ry Comns states in para 3 of his letter, recruits are not of much use for work in remote stations all vacancies including those of class I may be advertised so as to enable a selection being made from among the several applicants for the same.

(5) In the case of ministerial appointments of class (1) it may not be possible ordinarily in many cases to secure the services of Ministl officials of Govt. In such cases direct recruitment has to be made.

(6) If the vacancies in municipalities are to be filled up by securing the services of Govt officials, the men already in the service of the municipalities will be deprived of the chances of further promotion.

2) The L.S.G. Branch may also be consulted in regard to the scope of appn of G.O. of 1.3.27 in the light of points noted above.

3) The main point for consideration is the question of appointments belonging to class I ERB. in Minor Municipalities. They are appts. carrying a salary of Rs20 ~~allowance~~ Rs25 or Rs30. They are ordinarily not appointments of a very technical nature, & not much of expert knowledge is required. An ordinary recruit, with the necessary qualifications will be able to pick up that sort of

+) I agree with the above note. The difficulty is more apparent than real. The rules of recruitment come in to operation only when a vacancy is empowered or is allowed to make a direct appointment. When an official is temporarily transferred from the general or other duties, the vacancy automatically reverts to the Unit Head of the depmt. This may perhaps be intimated to the Dy. Comm. and the file closed.

OFFICE OF THE DEPUTY COMMISSIONER,

HASSAN DISTRICT.

G 8553-4

Dated Hassan, the 30th ovember *1927*

FROM

S. Venkatrangam, ESQUIRE, I.A.S., B.L.,

DEPUTY COMMISSIONER, HASSAN DISTRICT.

TO

R. Ranga Rao, ESQUIRE, B.A., B.L.

SECRETARY TO THE GOVERNMENT OF H. H. THE MAHARJA
OF MYSORE, REVENUE DEPARTMENT, BANGALORE

SIR,

I have the honour to state that Government Order No. L. 6052-125/Al.158-26-1 dated 1st arch 1927, lays down that the municipal employees should ordinarily be those selected by the municipal Councils concerned from among the officials of Revenue and Technical Departments such as Medical, Sanitary and Engineering etc., who are already in the service of Government, and it empowers the Revenue Commissioner and the heads of Departments concerned to sanction the loan of such officials to municipalities on certain conditions. In short the municipal servants are only lent officials, and the Government order does not at all contemplate direct recruitment as in the cases of services of other Government Departments The object of Government in passing this order appears to that the establishment under unicipalities being limited, and the duties also being of a technical nature, recruits will not be of much use, but only men of some previous experience of office work would be very necessary for work in municipal offices.

But Government order No.3-62/C.M.E. dated 7-1- constitutes each municipality as a unit by itself for purposes of recruitments rules. this it is [illegible]

tha appointments in Municipalities also should be made in accordance with the Recruitment Rules. But in view of the fact that the majority of appointments in the Municipalities and especially in minor municipalities fall under class I almost ~~of~~ all vacancies will have to be filled up by direct recruitment, in case the recruitment rules are observed, a then the chances for procuring the services of efficient already in Government employ will be very little, and only recruits with little or no experiences of office work will have to be entertained ~~which~~ would impair the efficiency municipal offices and frustrate the object with which the Government Order of the 1st March 1927 quoted above was passed.

3. Thus, the two Government orders quoted above appear to be conflicting and it is not understood which of them should be followed. I may mention that the duties in municipalities are of a technical nature and their establishment also being very limited consisting generally of officials, recruits will not be of much use for work and men of some standing and experience of official routine are necessary for employment therein.

4. In these circumstances, I request you to kindly place the matter before Government and communicate to me at an early date their definite orders in regard to the procedure to be observed in filling up ~~xxxxx~~ vacancies in municipalities.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hassan District.
